## The art of Jerry Marder.

The art of Jerry Marder reflects the varied influences that have shaped the life of this extraordinary artist. Mr. Marder grew up in Brooklyn, New York and graduated from Brooklyn College with a degree in mathematics. In the years that followed, he traveled around the country gathering experiences and perspectives that he would eventually pour into his art. His odyssey brought him full-circle, back home to New York where he was welcomed as an acclaimed artist with a very impressive portfolio. We are very proud to feature one of Jerry Marder's outstanding works, "Jersey Shore", on the GE Money Travel Card.
